About Me

Full-time year 12 student, seeking casual or part-time work for a steady income. I am also currently volunteering at the RSPCA and running a private piano tutoring business. I have 4+ years experience developing front-end applications in JavaScript, HTML, and CSS and have contributed to large codebases such as Mozilla, Exercism, Lichess, and others.

Work Experience

RSPCA: Volunteer Animal Care Assistant

January 2020 - Present

Cleaning enclosures, walking and feeding dogs, providing enrichment to puppies and dogs for adoption.

Exercism Maintainer

January 2020 - Present

Maintaining the JavaScript, CoffeeScript, PureScript, and Haskell language tracks in the Exercism v3 codebase.

Private Piano Tutor

July 2019 - January 2020

Contributing front-end solutions to issues in the lichess.org site.

Lichess Developer

August 2019 - Present

Maintaining the JavaScript, CoffeeScript, PureScript, and Haskell language tracks in the Exercism v3 codebase.

Domino's Pizza: In-store Team Member

February 2017 - July 2018

Preparing food, welcoming and serving customers, cleaning workspaces, and training new employees.
